

Decorative Laminate Veneer (DLV)

5-Piece Cabinet Doors & Drawer Fronts

Decorative Laminate Veneer (DLV) Stile and Rail Profiles are manufactured using a premium grade of MDF, which is profiled to tight tolerances and then "wrapped" with a Decorative Laminate Veneer (DLV) using precision Profile Wrapping Machinery. DLV is offered in five colors and is available on three Stile & Rail Profiles with various width and GRF options.

WalzCraft's DLV Doors & Drawer Fronts use True Blind Mortise & Tenon Mitered Joinery and are available with a Flat Thermally Fused Melamine (TFM) Center Panel or Frame Only Option.

Quality Features of DLV

- Environmentally Friendly
- Bacteria Resistant
- Easy Care
- Fade Resistant
- Dimensionally Stable
- Color Consistency
- Excellent Heat Resistance
- Scratch Resistant
