CUSTOM DOORS, DRAWER BOXES & CABINET COMPONENTS

## *WalzCraft, it's all about Quality, Customer Service and Options...*

At WalzCraft, we know that custom cabinetmakers are craftsmen/artists who need an unlimited array of options to shape their creative concepts into **masterpieces**. As a custom component manufacturer, we offer these options along with the quality craftsmanship of old world traditions, produced with the efficient use of today's modern technology. WalzCraft starts with the finest northern grown lumber that undergoes meticulous grading and quality control measures, ensuring every cabinet door, drawer front, dovetail drawer box, molding or cabinet component is a reflection of our customer's reputation.

WalzCraft customers have the option of choosing from more than 500 prominent Signature Series designs made to their specifications or customizing a door style of their own, with any of the hundreds of different profile options we offer. WalzCraft offers over 100 different wood species/grades, more than 60 stain colors and SolidTone® options, an industry-leading number of custom components including wainscoting, passageway doors, drawer fronts, face frames and millwork to complement any custom cabinet project.

“We sincerely believe in the boomerang concept, in that everything we do as a company has to be of the utmost quality in order for our customer to truly want to return and do business with us. We continually strive to provide our customers with a greater variety of options. Every door and component has our customer's reputation on it. It has to be quality, it has to be perfect, and it has to be customized to your needs and your customer's needs, whether it is one door or a thousand doors.”

*Richard A. Walz*  
President

# WalzCraft ... A Midwest Tradition of Quality!

**WalzCraft** was founded in 1982 as **Cabinet Factory®**, Inc. to fulfill the tremendous demands of small to medium-sized custom cabinetmakers, refacers, and furniture manufacturers for precision-made, quality wood products.

In 2003, the company name was changed to **WalzCraft** to clearly define the commitment to continuous quality, old world craftsmanship, and value in the manufacture of custom doors and cabinet components.

Your custom order for a single door or 1,000 doors is personally coordinated by WalzCraft owners, management, designers, and manufacturing teams. From the rough mill to final inspection, all **WalzCraft** products are manufactured in our exclusive, custom-designed facility.

**WalzCraft's** "hands-on" commitment to every one of our customers ensures product quality and customer satisfaction.

*WalzCraft is "Where Custom Made Quality Begins"®*

# Signature Series Definition & Ordering Guidelines

Our **Signature Series** allows you to easily tailor product to your customer's specifications.

**Here's how it works ...** The **Signature Series** number and name only identifies the **Standard Profiles** and **Standard Options** used for that particular design.

**Standard Profiles** identify these specific profiles:

- Stile & Rail or Mitered Profile
- Center Panel Profile
- Outside Edge Profile

**Standard Options** identify additional design options, which **may** include:

- Stile & Rail Sizes
- Applied Molding
- Decorative Inserts
- Stile & Rail Face Routing
- Center Panel Face Routing
- Radius Corners

\* **Note:** The **Signature Series** number & name do not indicate the **Door Style, Wood Species and Grade, or Thickness.** This information must be specified on every order.

To order the **Signature Series** (S495 Deadwood) design using the “**Advanced**” Version of our E•Z order forms, follow the steps below.

## Step 1

Please note the **Signature Series** number and name in the space provided on the “**Advanced**” Version of our E•Z order forms and mark an **X** in the **Standard Profiles & Options** box. By noting (S495 Deadwood), you are ordering the following Standard Profiles and Standard Options:

### **(S495 Deadwood) Standard Profiles:**

- Stile and Rail Profile = SR100
- Panel Profile = PR305-32
- Outside Edge Profile = D7

### **(S495 Deadwood) Standard Options:**

- Applied Molding = AM102
- Stile & Rail Sizes = 3" Stile and Rail Width

## Step 2

Provide the **Required Customer Specific Features**, which include:

- Wood Species, Grade, and Thickness
- Door Style

## Step 3

Indicate any **Optional Customer Specific Features**, such as:

- Finishing Choice
- Distressing
- Hinge Boring
- Glazing
- Finger Pulls
- And Numerous Others

## Step 4

Provide your **Quantities, Sizes**, and list any other **Special Instructions** in the appropriate space provided on the “**Advanced**” Version of our E•Z order forms.

\* *Standard Profiles and Standard Options for **Signature Series** designs and the Customer Specific Features showcased in the **Signature Series** Brochure can be referenced in the **Signature Series** Key posted at [WalzCraft.com](http://WalzCraft.com).*

Note: We created the **Signature Series** to provide you with an **alternative** ordering option, and additional tools to fulfill your ordering needs. You may place orders by specifying each essential profile and option; or you may simply order one of our **Signature Series** Designs using the number and name.

## WALZCRAFT WARRANTY

*WalzCraft* warrants that all products manufactured and sold by the Company are free from defects in materials and workmanship for a period of one year from date of shipment. Natural characteristics of the wood, such as grain patterns, mineral streaks, and the like, are not considered defects, but proper and acceptable characteristics of wood.

The customer shall not hold WalzCraft responsible or liable for damage caused by improper handling, storage, assembly, finishing, or installation.

WalzCraft reserves the right to change or modify its products and specifications as part of our ongoing product development program and cannot be held liable for these changes, real or implied.

A variety of door sizes, thicknesses, species, finishes, and customization of doors and components are available. Please ask your Customer Support Specialist for assistance.

Photographs in this brochure are for illustration only. Actual wood color and finishes may vary due to the printing process.

For accurate color selection, we recommend you obtain a product sample.
