WalzCraft[®] Introduces Fly Speck, Feathered and Dusted Glazing Methods to their Finish Options

WalzCraft introduces three new Glazing Methods to their extensive line of Finish Options. Fly Speck, Feathered and Dusted Glazes are all applied to the face of cabinet doors, moldings and other cabinet components, to simulate natural characteristics associated with aging. For more information, specifications and pricing for this new product line, please contact our Customer Support Team at: 1-800-237-1326, CustomerSupport@WalzCraft.com or www.WalzCraft.com and reference **NPR #30**.

WalzCraft Industries manufactures custom cabinet doors, drawer fronts, dovetail drawer boxes, cabinet components and millwork for custom cabinetmakers and cabinet refacers throughout the United States and Canada. Founded in 1982, WalzCraft has built a reputation for producing a high-quality product, at a competitive price, with a short delivery cycle, while offering a vast array of options from its state-of-the-art manufacturing facility located at 2600 Hemstock Street in La Crosse, WI.
