Technical Notes: Reconstituted Veneer Edgebanding

Finish Options (Chapter R)

1	Finish Options	250' rolls of edgebanding are available prefinished with a Natural / Clear Coat (<i>no stain</i>) or any with any of our Wiping Stains.
---	----------------	---

Material Options

1	Pre-Glued	Available Unglued with a Fleece back only. Currently we do not offer a pre-finished, pre-glued edgebanding that requires heat activation.
---	-----------	--

Sizes / Dimensions

1	Length of Rolls	<ul style="list-style-type: none"> • 250' rolls will be 250 feet long +/- 5%. • 500' rolls will be 500 feet long +/- 5%.
---	-----------------	--

Wood Specie Options (Chapter S)

1	Birch-Straight Grain Maple-Straight Grain	Since Reconstituted Veneers are a " <i>representation of a wood species</i> ", and are not actually a veneer comprised of the wood species indicated , the same reconstituted veneer material is used for both Maple (<i>Reconstituted</i>) Straight Grain and Birch (<i>Reconstituted</i>) Straight Grain.
