

Sample of the Month Program

WalzCraft's Sample of the Month (SOTM) program provides a convenient way for customers to grow their sample library in a cost-effective manner. By producing all requested SOTM doors at once, WalzCraft maximizes production efficiency and passes along significant savings through heavily discounted sample pricing.

Program details:

- Doors are only available 12"x15".
- Available Prefinished in the wood/finish combination as shown.
- Available Unfinished in the wood species/grade shown.
- No substitutions or modifications allowed with this program.
- Orders must be firmed for production by the 21st of the month.
- Unfinished samples are estimated to ship by the 10th of the following month
- Finished samples are estimated to ship by the 15th of the following month.
- Submit your Sample of the Month (SOTM) order using the appropriate part # for your preferred sample.
- If using a WalzCraft order form, please use Form #5 (Moldings and Misc) and indicate your part number(s) and quantity.
- SOTM door orders cannot be combined with any other products.
- Prices noted are for the sample door only. Additional charges apply for packaging, shipping, and taxes.
- SOTM doors are only available to WalzCraft's customers (wholesale only).
- WalzCraft reserves the right to limit sample sales.
