

NEXUS

Slim Shaker & Reeded Doors

S1002 Weston, S980 Refuge, S1000 Raleigh, S1008 Bellingham, S975 Reed, & S1010 Caldwell

Nexus Cabinet Doors bring an updated look to the classic shaker design. The sleek and stylish frame options offer a variety of profiles and widths for your next Slim Shaker door project. A Reeded Applied Molding can be added to the face of the panel for additional styling options.

Quality Features

- Solid wood mitered frame for strength and durability
- Veneered MDF core panel for stability
- Custom-engineered stiles & rails allow for 35mm hinge boring
- Square, beaded, and beveled profile options in various widths and thicknesses
- Two Reeded Applied Molding Panel Options
